NO. 25

Health is a magnet which irresistibly draws the man to the woman in life's mating time. Health does more than tint the skin with beauty; it puts music into the voice and buoyancy into the step, as well as happiness into the heart. A great many women covet beauty and are constantly seeking aids to beautify them. Let a woman first seek perfect health and all other charms shall be added to her.

There can be no general health for women while there is disease of the delicate womanly organism. The first step to perfect health is to cure womanly diseases by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I used four bottles of your 'Favorite Prescription' and one of 'Golden Medical Discovery,'" writes Mrs. Elmer D. Shearer, of Mount Hope, Lancaster Co., Pa., "and can say that I am cured of that dreaded disease, uterine trouble. Am in better health than ever before. Every one who knows me is surprised to see me look so well. In June I was so poor in health that at times I could not walk. To-day I am cured. I tell everybody that Dr. Pierce's medicines cured me."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Miller, of Covington, is holding a revival at the Hustonville Christian church. He delivered an address Sunday afternoon to an immense audience of men only on the subject of "Playing the Fool." Of the teachers, 94 per cent are uneducated and they are paid next to nothing. The school houses are huts, and there are no books, pens or ink furnished.

WHOOPIING COUGH.

A woman who has had experience with this disease, tells how to prevent any dangerous consequence from it. She says: Our three children took whooping cough last Summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—JESSIE PINKNEY HALL, Springville, Ala. This remedy is for sale by Craig & Hocker, Drugists.

The reviewing authority on the finding of the court martial which convicted Maj. Waller and Lieut. Day, disapproved of the result, claiming that while he may not have been guilty of murder, he should have been convicted on other charges. The killing of Fillpino is branded as the most regrettable incident attached to that unjust and unholy war.

THE INTERIOR JOURNAL

E. C. WALTON.

W. P. WALTON.

Is a Candidate for Railroad Commissioner for the 24 District, subject to the will of the democracy.

H. H. HENNINGER.

Of Wayne County, is a candidate for State Treasurer, subject to the action of the Democratic party.

G. G. GILBERT

Of Shelbyville, is a candidate for the democratic nomination for Congress in this the 8th district, subject to the primary to be held Saturday, Aug. 9.

In the Senate last week Mr. Hoar made a notable speech on the Philippine question. He denounced the attitude of the United States government in the Philippines as one of the most wicked and foolish chapters in American history. The fighting in the islands, he said, was "for the principle of eternal dominion," and he declared that the lessons of a century of glorious history fell in vain upon the ears of men "delirious with the lust of conquest." The speech attracted a large crowd to the Senate galleries, and at its close there was a remarkable demonstration which brought forth an admonition from the presiding officer. The effort was a masterly one and it will furnish food for democratic stumpers this Fall. "Old Granny" Hoar has lost neither sense of reasoning nor eloquence by old age and when he opens his mouth he always says something that will be remembered.

A PATHETIC incident occurred Sunday in Coal Creek, when several hundred women and children, made widows and orphans by the recent mining disaster, visited the cemetery, and in the one enclosure knelt and lamented over the 100 graves of their dead. In searching the clothing of one of the killed the following note was found: "To My Sons: Never work in the mines." A large number of damage suits have been filed, and more are in course of preparation. The amount sued for in each case is generally \$10,000.

TENNESSEE now has 1,445 names on its State pension roll of old soldiers, and the total amount paid to them in the last year was \$149,220. No more names can be added unless the Legislature increases the appropriation. The pensioners are divided into three classes: the first receive \$300 a year each, the second \$200 and the third \$100. Kentucky has never pensioned her needy Confederates, but she will soon have a home for those who can not support themselves and hereafter see that none of the dear fellows suffer.

In all but 11 of the 52 states and territories, the male outnumbers the female population. These 11 states are along the Atlantic seaboard. California contains the greatest excess of men, the recorded number being 156,000; Minnesota comes second with 113,536; Texas third with 109,000, and Pennsylvania fourth with 106,067. It will be seen by this that there are not enough women to go around. So you had better fall in, young man, or you may get left.

ON his return to Washington, Congressman Boreing with a broad smile on his face, talked to a Times reporter as follows: "Ah, I have them on the run. There will be only one man in the race when the primaries are pulled off next August. 'Tis useless to say who that man will be," said the Kentuckian. The preacher-politician had better not be too cock sure. He has two mighty good sprinters on his trail in Col. Colson and Bare-footed Boy Park-er.

ONE of the very few who escaped death in St. Pierre was a man condemned for murder, who was awaiting execution in a subterranean prison cell. So much for the bigotry that has attributed this dreadful calamity to a judgment for sin, just as the Galileans thought that the 18 upon whom the tower in Siloam fell were sinners above all men that dwell in Jerusalem, but who were rebuked by Christ for it.

THE Democratic State Executive Committee in the counties of the Second Railroad Commission district met at Frankfort Friday. A convention was ordered to be held at Frankfort, Wednesday, October 1, to nominate a candidate for railroad commissioner. The only announced candidates are W. P. Walton, of the Lexington Democrat, and C. C. McChord, the present incumbent.

THIS from the Louisville Post is additional proof that there's hope yet for Dick Knott: We are free to say that while Gov. Beckham has, in our judgment, made some mistakes, the general course of his administration has been conciliatory and liberal-minded, and that this course has done more than anything else to draw into the ranks a number of wandering democrats.

The most enterprising woman who has been heard of for a long time is the mother of two pairs of twins who was admitted to the bar at El Paso one day this week. It is not often that professional and domestic talent are combined in such a remarkable degree.

THE Middlesboro News is evidently not for its home candidate, Col. Colson, as the following from its editorial columns will show: The stock-in-trade of the opposing candidates to Boreing seem to consist solely in vigorous denials of, and masterly defenses against, gravely bitter accusations never made by anyone.

SOME heartless scoundrel robbed Col. Craddock, editor of the Paris Kentuckian, of his overcoat and umbrella that had protected the veteran editor from wind and rain a century or more. The culprit should be hung or given a life sentence for his dastardly deed.

THE Methodist general conference at Dallas, Texas, decided that church members should not attend circuses. The good Methodist brother can no longer go to see the monkey, even tho' he "just goes to take the children."

CAPT. E. W. LILLARD, of the Danville company of State guards, has been elected major of the Third Battalion, Second regiment State guards. We congratulate Brer. Lillard on the honor.

His friends all over the district will learn with regret that Hon. R. C. Warren has withdrawn from the race for Congress. He gives his reason in a card elsewhere.

Hon. R. C. Warren Withdraws From Race for Congress.

When I entered the race for the Congressional nomination Messrs. Gilbert and Carter were candidates, with Col. Dan Moore mentioned by his friends as a probable entry in the race. A primary election has now been ordered for the 9th of August next, a method of settlement the fairest of all in making party nominations, but the expense of holding the primary election, with only two candidates to bear that expense, makes the cost too great for me. For this reason and this reason only I retire from this contest.

I am profoundly grateful to my friends throughout the district for their very warm and hearty assurances of support, and my unbroken allegiance to my party and its organization in the past is given as a hostage for the future. Respectfully, R. C. WARREN.

Seventh district democrats will meet at Frankfort Saturday, May 31, to arrange for a Congressional primary or convention.

Berry Howard, who was recently tried for the murder of Gov. Goebel, will be a candidate for the Legislature in his district in the mountains to succeed Dave Colson.

Mr. McLaurin will not be a candidate for re-election as Senator. He has earned something "equally as good" from the administration he has endeavored so faithfully to assist in its assault upon democratic government.—Commoner.

It is said that former State Senator William Henry Jones will not be a candidate for the republican nomination for Congress in the Third district and that the incumbent, McKenzie Moss, will have no opposition in the republican party for the nomination.

At a meeting of the Republican Appellate Committee of the Fourth district and the Congressional Committee of the Fifth district, a convention was called to be held at Music Hall, May 31, at 8 p. m., to nominate a candidate for Appellate Judge and Congressman.

Lord Pauncefoot, British Ambassador to the United States, died at the British embassy in Washington Saturday morning. He was 74 years of age and had represented his government in Washington since 1889. He had been ill for several months of asthma and rheumatic gout.

Of course, if Teddy goes over to London to see Eddy crowned in 1902, Eddy will recognize his obligation to come over to Washington and see Teddy crowned in 1905. Such reciprocity of courtesy would be "perfectly delightful and awfully delicious," as the approaching June crowd of sweet girl graduates would express it, but it will never be.—Louisville Times.

CURES WHEN DOCTORS FAIL.

Mrs. Frank Chiasson, Patterson, La., writes June 8, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return again. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottle at Penny's Drug Store.

What are probably the largest and smallest books in the world have rested side by side for many years in the British museum. The largest volume measures five feet 10 inches in height by three feet two inches in width. It is held together by great iron clasps and required eight different skins for the binding. It was presented to the nation by King George IV., in 1823. The smaller book is only three-fourths of an inch by one-half inch. It is called "Schloss English Bijou Almanac of 1823," and was published in honor of the accession of Queen Victoria to the throne.

Two sisters were married in Bath county the other day—only 12 and the other 14 years old.

Mrs. Elizabeth Lease, politician and author, was granted a divorce from her husband, Charles Lease, at Wichita.

Mr. and Mrs. Thomas B. Dizney, of Grays, celebrated their golden wedding May 22 at their home. Mr. Dizney is 76 years of age, and Mrs. Dizney 68.

The couple married here last week and whose names we did not give were Mr. E. J. Wiseman and Miss Ethel Pearl Moore, of Danville. It was at their request that their names were withheld. Rev. S. M. Rankin performed the ceremony.

Thos. J. Crouch, 77, of Topeka, Kas., and Miss Mary Lane, 68, of Buel, N. Y., have just been married. Fifty years ago Crouch and Miss Lane were residing in Buel. They were engaged to be married, but quarreled and the engagement was broken. Shortly afterward Crouch moved to Topeka. Miss Lane never married, and recently her sweetheart of half a century ago returned to seek her hand.

WON'T FOLLOW ADVICE AFTER PAYING FOR IT.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by Craig & Hocker, Druggists.

A specimen analyzed yielded 75 per cent. zinc with small per cent. of lead. They are still going down with splendid prospects of a paying mine being found.

GRADED SCHOOL BURNED.—At 11:30 last night the graded school building was discovered on fire and the fire ladders went to the scene as quickly as they could, but the blaze had gotten too much headway and the wood-work of the structure was soon in ashes. The origin of the fire is a mystery but the general belief is that it was the work of an incendiary and a thorough investigation should and will likely be made. The loss is about \$4,000 with insurance of \$2,000 in the Insurance Company of Missouri.

PRE-EMINENTLY the best contest in point of talent and grace that has ever been given in Stanford, will be held at Walton's Opera House on Wednesday evening, June 18, when 10 young ladies will put forth their best elocutionary efforts to win handsome prizes, and as the managers, Messrs. GOLDEN WEALTH

Produced by Lincoln County, Ky., Soil.

THE GREEN RIVER DEVELOPMENT CO. has commenced operations on the Dr. Morris farm, one mile from the Baughman well, running day and night. A big well is expected. The Baughman well has been estimated by expert oil men, who saw it bailed, to be good for at least 100 barrels per day, and of high gravity illuminating oil. Wells of this character are far more valuable than a gusher. All of our holdings have been carefully selected and we confidently expect some big wells in near future. We now offer a limited number of shares for sale at 40c a share; the par value is \$1.00 a share, fully paid and non-assessable. Buy to-day—don't delay—when we get a big well this stock will be advanced and probably withdrawn from the market without notice. 25 shares is the smallest block the company will issue. Remit by certified check or postoffice money order, or call on or address S. P. Gray, General Manager, Crab Orchard, Ky., or W. S. Fortz, Secretary and Treasurer, Bluefield, W. Va.

Galton 12,910.

Standard and registered. Sired by Gambetta Wilkes 2:19 1/4, sire of Guineette 2:05, Lottie Loraine 2:05 1/4, Eyelet 2:05 1/4, Dr. Mon-

mouth 2:09 1/4, and 49 others in the 2:30 list.

First dam Daisy Field (granddam of Alice Wilkes 2:17 and Aleatta 2:18) by Enfield (sire of 6 in 2:30 and the dams of 55 in 2:30 or better).

Second dam, Quickstep by Kentucky Prince, Jr., sire of J. Q. 3:17 1/4. Lemonade 2:27 1/4, and others and dams of 6 in the list.

Third dam by Old Joe, sire of the dam of J. Q. 2:17 1/4. Gambetta Wilkes' sons and daughters have over 100 in the 2:30 list.

Galton carries the blood of the four leading families—Wilkes, Hambletonian, Mambrino Chief and Seelye's American Star.

Galton is a great show horse, as has been tested in the show rings. His colts have been shown three years in succession at Hustonville, Danville, Springfield and other fairs, and have won the largest premiums for harness classes over all others. He has proven a great cross on saddle mares as he gives his colts finish, action and step, and they are selling for the highest prices. Galton will serve mares at my stable two miles west of Hustonville, \$10 TO INSURE A LIVING COLT. Will keep mares on grass at \$2 per month after May 1.

W. M. DODD.

DIGNITY DARE.

DESCRIPTION.—Foaled 1895, 15 hands 3 1/4 in. high, weighs in good flesh, 1,200 pounds; mahogany bay, with black points; a model in form with that wonderful style characteristic of the Dignity Dare family; so universally acknowledged as superior to all. As a show horse he has made good record, winning in his class and sweepstakes many blue ties. In his 3-year-old form wore 13 blue ties out of 14 shows thro' Central Kentucky. In harness he is very stylish, well gaited, with pure decided action and steps a clip few saddle horses can show, making him a harness horse of the highest type. Under saddle he is attractive, bold, with best of line action, speedy, separating his gates perfectly, with knee action necessary for an up-to-date sire. His colts, though young, are coming to the front and fast ranking him one of the best of breeders, which class bring sensational prices. His colts are large, rangy, with long, well-set neck, fine backs, broad, flat bone, with great action and best of colors. I respectfully invite you to call and inspect them before booking your mares.

PEDIGREE.—Sired by famous Chester Dare, No. 10, A. S. H. R., he by Black Seal, No. 58, he by Black Eagle, 74, he by King William, 67, he by Washington Denmark, 64, he by Gaines' Denmark, 61, he by race horse Denmark F. S., he by imported Hedgeford; 1st dam Lizzie by Welchmont, No. 6367, A. S. H. R., he by William Welch, 341, he by Rysdicks Hambletonian, 10, 2d dam by Abdallah Messenger, 3rd dam by Gills' Vermont, 4th dam Thoroughbred. Welchmont's 1st dam Pauline by Almont Forest, 2863.

Will make the season 1902 at Lawn Mere Stock Farm, 2 1/2 miles West of Hustonville, Ky., on Bradfordsville & Hustonville pike, near Carpenter's Station, at \$20 to insure a living colt.

A small reduction on a club of 5 or more mares. Mares traded or parted with forfeits insurance and money becomes due at time of such transaction. Loin retained upon all colts till season money is paid. Mares from a distance grazed \$2 per month. Grain fed, if desired, at reasonable rates. All bills must be paid before removal of mares. Mares entrusted will receive my personal attention, but will not be responsible for accidents or escapes.

Hefers brought 3c; steers 4 1/2 to 5c; cows \$25 to \$30; mules \$60 to \$115; plug horses \$25 to \$50. It was considered the dulllest court of the year and little or no business was transacted.

A bright young woman was very deeply interested in her Sunday school class, and endeavored to make the little ones understand different verses in the Bible more clearly by letting them finish each sentence.

"The idol had eyes," she said, "but it couldn't—"

"See!" cried the children.

"It had lips, but it couldn't—"

"Speak!" the children answered.

"It had ears, but it couldn't—"

"Hear!" they once more correctly replied.

"It had a nose, but couldn't—"

"Blow it!" the children confidently shouted.—New York Sun.

SPRING AILMENTS.

There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is that during winter there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 50c. Penny's Drug Store.

FOR THOSE WHO LIVE ON FARMS.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment, always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c and \$1. At Penny's Drug Store.
